

SOP for LEA Request Handling

Purpose:

To ensure proper tracking and monitoring of LEA investigation requests.

Workflow:

1. Request received
2. Logged into governance tracker
3. Assigned to investigation officer
4. SLA monitored
5. Escalation triggered if delayed
6. Case closure after validation

Priority SLA:

Critical – 24 hrs

High – 48 hrs

Medium – 72 hrs

Confidentiality:

Investigation data is restricted to authorized personnel only.
